

Country Food Services Christmas Fayre 2021

**Country Food
Services Ltd**

Christmas is a time for family and friends to get together and enjoy themselves. Again this past year has presented us with many hurdles to overcome. Hopefully this year we will be allowed to hold the Christmas celebrations and family gatherings that we have all planned.

We have been working hard all year to keep you, our valued customers supplied with our quality meat and meat products through this testing year, and now we have put together a Christmas Fayre Range to make your festive period one to remember.

Don't forget that this year we are taking your orders now while prices are low and storing your Christmas order, for FREE, in our commercial blast freezer until you want us to ship it to your door.

Kindest regards
